

Humane Society of Livingston County

Membership Application

Mission: The Humane Society of Livingston County will work toward eliminating abuse and overpopulation of animals and aid in the prevention of their suffering within our community.

Your membership is very important. Please help us support the programs that HSLC makes available to the community, such as – the spay/neuter program, foster care & adoption, and community education & awareness. Our funds are limited and our only source of income is from memberships, private donations, grants and fundraising. Our monthly meetings are open to the public. New faces and ideas are always welcome!

General Membership \$25.00/person/year / **Sponsor Membership** \$50.00/person/year

The additional dollars go directly towards the medical expenses incurred for rescued foster care animals

Future Goals:

- To establish a spay/neuter clinic in Livingston County
- Search for additional funding for the building of a permanent shelter

NOTE: General members are entitled to one spay/neuter discount voucher in the amount of \$60 each year of membership. Sponsor members are entitled to two vouchers each year of membership
